PROFILE

UX/UI designer based in Vancouver with 6 years of network engineering experience in Japan. I turn complex problems into simple, user-centered solutions, from user research and information architecture to wireframes, prototypes and final UI. Looking for junior UI/UX and product design roles in Canada.

PROJECTS

LastCow · iOS app · Team of 2 — Jul – Aug 2026

- Ran user interviews with 4 people and turned the findings into a persona and key design challenges.
- Designed and prototyped an app for last-minute and discounted event tickets. Usability tests averaged a SUS score of 92.5.

Open Door Yoga · Website redesign · Team of 3 — Aug – Sep 2026

- Evaluated the studio's site with Nielsen's 10 heuristics across 3 key tasks for first-time students.
- Designed the About and Pricing pages and contributed to a shared style guide and component library.

PROFITKEY · Fintech website · Sole designer, team of 6 — Jan – Mar 2025

- Interviewed 10 investment beginners and designed AI stock picks with plain-language explanations and glossary tooltips.
- Delivered a sitemap, 11 wireframes, a design system and 14 final screens with 5 engineers.

Cookpad · Responsive web redesign · Personal project — Nov 2024 – Jan 2025

- Analyzed user reviews and competitors, then redesigned search filters, simplified the UI and added threaded comments.

VOLUNTEER & FREELANCE

Social Media & UI/UX Designer (Volunteer) · Samawada (Rizsq) · Remote — Oct 2026 – Present

- Create social media posts for Rizsq and work on the app's UI/UX design using Canva and Adobe Illustrator.

Photo Editor & Translator (Side job) · ASCLO — 2022

- Edited product photos for ASCLO's listings on BUYMA (Japan) and translated Korean product descriptions into Japanese.

EXPERIENCE

Network Engineer · NTT Data, NetOne Systems · Tokyo, Japan — May 2019 – Mar 2026

- Managed network operations, troubleshooting and system optimization.
- Worked with clients to understand requirements and explain technical solutions, and with teammates to deliver reliable fixes.

EDUCATION

UX/UI Design Diploma · Cornerstone College, Vancouver — May – Nov 2026

Diploma, Computer Information / Network Engineering · Yeongjin University, Daegu — 2016 – 2019
